

Principal's Report

I would like to welcome everyone back to term 3, albeit now in a different form than we had planned at the beginning of the term.

I would like to thank all within our Willow Grove Primary School community for the manner in which we have once again adapted to Lockdown 5.0 and remote learning.

Teachers will continue to contact parents and students on a class and individual level around their learning and wellbeing. It is important we ensure everyone is looked after, supported and catered for whatever they need at this time. With the lockdown extension announced yesterday, staff are preparing new learning packs, with the delivery of some occurring yesterday. Your child's classroom teacher will communicate how this learning will occur over the next 5 days.

If you need anything, please contact either your child's classroom teacher or myself.

Please take care of yourselves and we hope to see all students back at school next Wednesday.
