

Dogs At Willow Grove Primary School

PURPOSE

To explain to our school community the rules and procedures we have in place in relation to dogs attending our school grounds. It also applies to all other pets attending our school grounds.

SCOPE

This policy only applies to pet and stray dogs on school grounds. For policy information on wellbeing and engagement animals, refer to the department's [Wellbeing and Engagement Animals policy](#) on PAL.

POLICY

Definitions

A **pet dog** relates to any dog that is privately owned in the community for companionship reasons, rather than as a support function that requires specific skills or training.

A **stray dog** is any dog that is not accompanied by their owner.

Wellbeing dogs

For information on Wellbeing and Engagement animals, please refer to the [Wellbeing and Engagement Animal policy](#) on PAL.

Pet dogs

Willow Grove Primary School is not a public place, and our Principal has the authority to permit or decline entry to school grounds and impose conditions of entry.

Whilst Willow Grove Primary School understands that many families in our school community keep dogs as pets, to ensure that our school remains a safe and inclusive place for everyone, we have in place a number of rules that we expect all families to follow if they wish to bring their pet dog onto school grounds:

- pet dogs must be leashed at all times and in the control of a responsible adult
- pet dogs must not be tied up on school grounds or left unaccompanied
- families that bring dogs to school that exhibit signs of aggressive behaviour may be asked to leave
- pet dogs must be cleaned up after, with thoughtful disposal of waste.

The Principal has the authority to prohibit certain dogs from school grounds or modify this policy to ensure the safety and wellbeing of staff, students and members of our school community at any time.

Stray dogs

Unaccompanied or stray dogs sighted at our school should be reported immediately to the Principal or another staff member. When it is considered safe to do so, school staff will contain the dog and attempt to locate the owner via available contact details or social media. If it is considered unsafe, school staff will contact municipal authorities and/or Victoria police for assistance in managing and removing a stray dog from school grounds, and ensure staff and students remain safe at school. School gates will be closed and lockdown procedures may be enacted.

COMMUNICATION

This policy will be communicated to our school community in the following ways:

- Available publicly on our school's website
- Hard copy available from school administration upon request
